### CCL CUP RULES 17.1 & 17.2 apply & include

Matches to be played on the set dates which will **automatically** be forwarded to the media. If for some reason the game cannot be played the Competition Administrator must be **immediately** informed with the new date

**Result Reporting** - Home clubs **MUST** input a minimum of a play-cricket summary result **within 24 hours** of the match being played. Matches will consist of **TWENTY OVERS** with no bowler allowed to bowl more than **FOUR** overs.

**Abandoned Matches** – **New 2024 FIVE** overs in the second innings constitutes a match. Average run rate to apply in the event of an abandonment but the **DLS method to apply in SFs & Final only**.

**Postponed Matches** – DO NOT enter a result on play-cricket (e.g. Abandoned or Cancelled) as this effectively ends the match online. Simply type in the new rearranged fixture date **ONLY** and leave the rest blank.

**Fielding Restrictions** will apply in all rounds of the Hawkeye Cup.

**Balls** – for all matches before the semi-finals and finals, the home side must provide sound league approved cricket balls and sufficient spares of the same standard; the match ball and spares must be lodged with the umpires before the start of the match. Pink Magna balls are permitted and optional in any round of a T20 competition at the discretion of the home club. The LMC will provide new 'Pink Magna' balls for each innings for each semi-final and final. **Coloured Clothing** (not predominantly pink or red) is permitted and optional in any T20 match.

**Free Hit after a No Ball**

The delivery following any no ball shall be a free hit for whichever batsman is facing it. If the delivery for the free hit is not a legitimate delivery (any kind of no ball or a wide ball) then the next delivery will become a free hit for whichever batsman is facing it.
