

School Of The Month Award

November 2020 Winner

St Breock Primary School

Headteacher Sian Hall said 'I felt it was vitally important that PE, School Sport and Physical activity formed an integral part of our Recovery Curriculum on a full return to school in September.

Research published by the YST in the Summer concluded that;

- Those who are fitter and healthier have coped better, physically and mentally with the pandemic.
- Activity levels in young people have fallen from 47% doing the recommended 60mins a day to only 19%.

PE Lead James Ross is seen here receiving the November School of the Month Certificate and Chance To Shine cricket set from Cornwall Cricket Chief Cricket Officer Joe Skinner. A social media comment stated 'FS2 had a fantastic time with Mr Anderson this morning for their first session of Cricket activities. So much fun that we can't wait to see what's in store for tomorrow mornings session!'

Sian continued 'By welcoming Cornwall Cricket into school we were able to enhance our PE curriculum and allow them to benefit from specialist coaching, whilst adhering to the DFE Guidance for Full Opening of Schools. Mr Anderson (Mr.A) quickly built up a rapport with the children and extended the constraints that working in a small class bubble has. The cricket coaching engaged and enthused the children who were keen to replicate activities at break times and lunchtimes in the playground. With a continued relationship we are able to give children in school the pathway to local cricket clubs and beyond.'

Each month we will announce an overall winner – a Primary School or a teacher who in our opinion is:

-  **Inspiring children to be excited about cricket**
-  **Staff teaching and encouraging cricket to children**
-  **Staff using cricket to develop pupil's learning across the curriculum**
-  **Developing a cricket culture in schools & taking part in competitions**
-  **Supporting pupils on their cricketing journey – transition from school to clubs**
