CORNWALL ASSOCIATION OF CRICKET OFFICIALS</p> <p><i>Footnote: To address the lack of deterrent for not keeping up with the required over rate. Any part over will also carry a 6-run penalty as there is already a 10-minute 'grace period'. Last season some games had as many as 5 overs remaining which would incur 30 penalty runs added to the batting side. It applies to both innings so an example 195 to win and time runs out at 180-6 with three overs remaining to play. 18 penalty runs then get added to make it 198-6 and the game is immediately completed with the team batting second winning by four wickets with three overs to spare.</i></p> <p style="text-align: right;">FOR 17 AGAINST 5 CARRIED 77.3% IN FAVOUR 0 ABSTENTIONS</p>

RULE NOTIFICATIONS / CLARIFICATIONS (FOR INFORMATION ONLY - NO AGM PROPOSALS REQUIRED)

A	AIMS & OBJECTIVES	<p>Aims Rewrite to read: It is the policy of the CCL to provide a framework, administered and directed by an elected League Management Committee (hereinafter referred to as the LMC) to enable clubs affiliated to the Cornwall Cricket Board (CCB) to participate in organised competitive cricket in compliance with the CCB's Code of Conduct and the England & Wales Cricket Board's (ECB) General Conduct Regulations. <i>Footnote: Adopting the Cornwall Cricket Board's new Code of Conduct.</i></p>
B	2.1.5	<p>LEAGUE MANAGEMENT COMMITTEE Create New Rule: Where the LMC receives a complaint against one of its members, the LMC is empowered to act and commence disciplinary proceedings against that individual. A member who is alleged to have acted inappropriately, improperly, abused their position or behaved in a manner likely to bring the LMC and cricket into disrepute will be subject to disciplinary proceedings. The LMC has the right to suspend any LMC member facing such action and also refer itself to the CCB, ECB and any external body for breaches of any ECB regulation, code or policy.</p>
C	3.4.1.4 (iv)	<p>Fixed Monetary Payments Add: Failure to submit ECB Team Cards with Official result form - £10. <i>Footnote: Polite requests to comply in the past by Results Secretaries have not had the desired effect</i></p>
D	3.4.1.7 Renumber below	<p>New Rule: Failure by the home side to provide hot water and tea/coffee/milk, for the players and officials to make a hot drink - £10. <i>Footnote: Polite requests to comply in the past by Results Secretaries have not had the desired effect.</i></p>
E	5.1.3	<p>PROMOTION & RELEGATION Delete: Replace Rule 5.1.3 with 5.1.12. <i>Footnote: Duplication – tidying of rules.</i></p>
F	5.2.1	<p>Amend to read: The bottom team in each section of the lowest Division(s) and any team seeking admission to the League shall make an application for election/re-election to the League Secretary by 30 September 31 October. <i>Footnote: Missed ratification at 2023 AGM – having been notified to clubs 12/9/22. The original September date made sense in the past when the season finished in early September, Sectional AGMs finalized the divisions in mid-October and the fixtures were issued in early November - rather than now in late January.</i></p>

G	<p>6.2.5</p> <p>6.2.5.1</p>	<p>LEAGUE WINNERS</p> <p>Amend to read: If due to suspension of play after the start of a League County Final (Eastv West) the number of overs in the innings of either team has to be revised to a lesser number than that originally allotted (minimum 8 overs), then a revised target score should be set for the number of overs which the team batting second will have the opportunity of facing. This will be calculated on the DLS system as set out in Rule 11.11.</p> <p>If 8 overs in the second innings have not been achieved the match will be regarded as a ‘No Result’ and only the Divisional Trophies will be presented.</p> <p><i>Footnote: Significantly reduces chances of ‘No result’ Abandoned League Finals.</i></p>
H	<p>8.1.1. (vii)</p>	<p>PLAYER QUALIFICATIONS</p> <p>Add: No one, who has played for another out-of-county club during the season, shall be allowed to play their first ‘League’ match under the auspices of the Cornwall Cricket League that season after 31 July.</p> <p><i>Footnote: Rule Clarification to avoid misinterpretation.</i></p>
I	<p>9.1.1.5</p>	<p>Create New Rule: CCL Registered Players must abide by the ECB General Conduct Regulations, the Anti-Discrimination Code and the Spirit of Cricket. <i>Refer to League Rule 21.1.</i> This will include understanding the impact of a suspension, namely that any suspension imposed by the CCL will apply to all cricket played under the auspices of the ECB and affiliated Leagues and not just the Premier League that the player is, at the relevant time, registered with. The CCL will provide to ECB, details using the Player Suspension system on Play-Cricket, of any players who are suspended for part or all of the season, and this information may be shared with other Leagues and will be accessible by County Cricket Boards. The details will include the player’s name, club, the nature of the offence, the sanction and the start and end dates of the suspension.</p> <p><i>Footnote: A requirement of ECB Premier League Accreditation.</i></p>
J	<p>9.2.5</p>	<p>Add Note: Players who have not played for their club in the previous season shall automatically become “free agents” and do not require a transfer. Note: Such a player does not become a “free agent” again until the end of the current season (30 September), provided he does not play a league game for his new registered club during the current season.</p> <p><i>Footnote: Rule Clarification to avoid misinterpretation.</i></p>
K	<p>10.1.5</p>	<p>UMPIRES A notification as per Rule 10.1.2</p> <p>Amend to read: The expenses of Official Umpires shall be £45 £60 per umpire per match standing in the Premier Division, £40 £55 per umpire per match in County Division 1, £35 £50 per match in Division 2 and £20 £25 per match for all CCL T20 competitions. Note: Premier T20 Cup = £60 per day (2 matches).</p> <p><i>Footnote: Agreement between LMC & CACO as per Rule 10.1.2 which was voted in a decade ago. Brings expenses closer to other ECB Premier Leagues. An increased incentive to attract needed recruitment of CACO members to ensure at least all Tier 1 matches are covered.</i></p>
L	<p>10.3</p> <p>10.3.1.2</p> <p>Renumber to 10.3.1.3</p>	<p>Club Umpires</p> <p>Add:</p> <p>In the event of only one team having a club umpire present, that person may umpire throughout at both ends in both innings, but only with pre-match consent of both captains - and that consent must be confirmed in writing on the Official Result Form <u>before</u> the game commences.</p> <p>Any cause of concern shall, in the form of a written complaint, be referred to the CCL Compliance Secretary for investigation.</p> <p><i>Footnote: 10.3.1.2 is in response to several confrontations in 2023 where a team and/ or its club umpire insisted on that person umpiring at both ends in both innings because the opposition had not been able to provide a club umpire.</i></p>

M	11.4.4.1	<p>MATCH PLAYING CONDITIONS GENERAL</p> <p>Amend to read: On a scheduled league matchday where all higher teams are representing a club, then clubs may select, promote or demote players as the clubs see fit; however, when one or both of the club's top two teams are without a scheduled league match e.g. bye or cancellation, the club must not select higher division players for its lower teams. The definition of a higher division player shall be a player who has played 5 of the last 8 games in any higher division that has commenced for his/her registered club in the current and previous seasons. <i>Rule Clarification – It is the last 8 games that any higher division team/s has started – cancelled games do not count. It is not the last 8 games the player has played. That could extend back over months/years due to unavailability or injury.</i></p> <p><i>Footnote: Rule Clarification to avoid misinterpretation</i></p>
N	11.4.4.2	<p>Amend to read: From 1st August, A higher division player (as defined in 11.4.4.1, above) is not permitted to play for a lower division team unless they have not played in the three previous any of the last three games, that have started, for the any any higher division team/s.</p> <p>EXCEPT: where that higher team team/s selects and fields a full eleven players who are also ineligible to play for the lower team, i.e. a club shall at any time have no more than 11 players prevented from playing for the next team down under this Rule.</p> <p><i>Footnote: Rule Clarification to avoid misinterpretation</i></p>
O	New 11.4.4.2 New 11.4.4.3 Renumber existing 11.4.4.2 to 11.4.4.4	<p>Existing 11.4.4.1 NOTE 1 – Number as 11.4.4.2</p> <p>Amend to read: Should a match in Tier 3 be mutually re-scheduled and played on the <u>immediate</u> Sunday following its original scheduled match day, then that match is played under the rules of 11.4.4 (Scheduled League Matches). Therefore a player cannot play on both Saturday for a higher team and on Sunday for a lower team. The 5/8 rule is irrelevant in this instance.</p> <p>Add: In the event of a breach of the above selection procedures for Scheduled League Matches, the Discipline Committee may award or deduct points, impose a fine or all three penalties.</p> <p><i>Footnote – Clarification of the existing rule which prevents Sunday sides from being open to manipulation and any doubling up over a weekend.</i></p>
P	11.5.2	<p>Amend to read: No fixture, on account of weather or ground conditions, shall be cancelled before 10:00 (Tier 1 only - 9:30) on the match day</p> <p><i>Footnote: Brought forward one hour to bring in line with the potential for earlier start times nowadays.</i></p>
Q	11.9.1.4	<p>Add: The home club will be fined £10 for a failure to submit ECB Team Cards with Official result form</p> <p><i>Footnote: Polite requests to comply in the past by Results Secretaries have not had the desired effect</i></p>
R	New 11.11 (previously numbered 12.4)	<p>The Duckworth/Lewis/Stern (DLS) Method. (<i>Applies to Tier 1, not Tiers 2 & 3</i>).</p> <p>If a match is suspended after it has started such that the number of overs available to be faced by either side is reduced from that determined when the match started, the revised target shall be computed using the latest version of the Standard Duckworth/Lewis/Stern (G50 Default setting of 245) provided with the Play-Cricket Scorer Pro Laptop program or with the Play-Cricket Scorer App on Tablets or Smart Phones following the instructions provided with that software and displayed on the screen. Arrangements shall be made for the provision of backup capability, in case of computer malfunction, for the operation or continued operation of the DLS. This shall be in the form of [another] smartphone or tablet where Play-Cricket Scorer is installed.</p> <p>Note: It will be the responsibility of the HOME club to ensure that a competent person is available to input the scores to set the Target as calculated automatically and ensure that the Par Score for the end of the over is correct and that this score is displayed on the ground.</p> <p>Duckworth Lewis Stern Calculations Example</p> <p><i>In the First Innings, Team A has reached 95-1 off 21.2 overs at 14:25 and it rains heavily with no play possible until well past the normal tea interval - so what is the latest time a restart is possible for Team B to have the minimum 20 overs to constitute a game?</i></p> <p><i>In the first innings, you lose one over from both sides' allocations for every full 6 minutes. Team A has already received 21 (we ignore the part-over) so the max time lost in the first innings is 29 overs lost per each team x 6 minutes = 174 minutes.</i></p> <p><i>But Team B only needs to be allocated 20 overs so you can lose another three minutes in the second innings to reduce them to 20. An allocation can never be anything other than a full number of overs.</i></p> <p><i>So, in this case, the total amount of time you can lose before the game is abandoned is: 174+3 = 177 minutes plus 30 minutes tea = 207 minutes (3 hours 27 minutes)</i></p> <p><i>Timings: 14:25 plus 3 hours 27 minutes = Match Abandoned at 17:52</i></p>

		<p>If a minimum of 20 overs were possible to be played (even though Team A received more) the Scorers entries on the DLS Calculator App would be as follows:</p> <p>Overs per innings 50 1st innings Suspension Period After over 21.2, runs 95, wickets lost 1, overs remaining after suspension 0. Click Done. Click</p> <p>Second innings 2nd innings Suspension Period After over 0, runs 0, wickets lost 0, overs remaining after suspension 20. Click Done. Therefore the Team B Target for their 20 overs is 160 runs. <i>Footnote: DLS moved to General Rules Section (Tier 1 only) and referred to by new competition rules 16.6.8 & 17.1.17.5</i></p>
S	12.4.1	<p>TIER 1 PLAYING CONDITIONS Completion of Interrupted Matches (DLS Method) Amend to read: Refer to Rule 11.11. Note: 12.6.4.5 Bonus Points for a team winning batting second in a DLS-adjusted game <i>Footnote: Referring to Generic DLS Rules under one rule 11.1</i></p>
T	13.5.4.1	<p>PREMIER T20 CUP Amend to read: If, due to suspension of play after the start of the match, the number of overs in the innings of either team has to be revised to a lesser number than that originally allotted (minimum 5 overs), then a revised target score should be set for the number of overs which the team batting second will have the opportunity of facing. This will be calculated on the DLS system as set out in Rule 11.11. <i>Footnote: 5 not 6 overs in line with generic T20 regulations</i></p>
U	14.3.1.1	<p>Intervals Tier 2 & 3 Failure to provide hot water and tea/coffee/milk, for the players and officials to make a hot drink by the home side will result in a £10 fine. <i>Footnote: Polite requests to comply in the past by Results Secretaries have not had the desired effect.</i></p>
V	16.1.3	<p>MDEL Amend to read: Protests to Compliance Secretary (<i>not Administrator</i>) <i>Footnote: A CCL competition so consistency with League rules</i></p>
W	16.6.8 16.6.8.1 16.6.8.2	<p>Create New Rule: Completion of Interrupted Matches (DLS Method) MDEL Semi-Finals & Final If, due to suspension of play after the start of the match, the number of overs in the innings of either team has to be revised to a lesser number than that originally allotted (minimum 5 overs), then a revised target score should be set for the number of overs which the team batting second will have the opportunity of facing. This will be calculated on the DLS system as set out in Rule 11.11.</p> <p>If this 5 overs per innings condition is not met for both teams, the match may be considered abandoned and re-arranged following Rule 17.1.19. <i>Footnote: Introduction of interruption rules for KO Stages</i></p>
X		<p>MDEL v WPEL Challenge Match Special Rules Add: If there is a suspension of play after the start of the match DLS will apply. Refer to Rule 16.6.8 In the event of a tie 16.6.7 applies.
