

Berrycoombe Primary School Bodmin Chance to Shine Cornwall Cricket

Case Study
March 2020

CHANCE TO SHINE
Spreading the power of cricket

Berrycoombe Primary School

Berrycoombe Primary is a one form entry primary school located on Berrycoombe Vale in Bodmin, Cornwall with 213 children on roll. The school has valued its partnership with Cornwall Cricket and the delivery of its Chance to Shine National Schools Programme-spreading the power of cricket into schools. We were fortunate to have the services of Mr Shaikh who clearly enjoys passing on his passion for cricket to children. He set up the programme with is interactive assembly to the children and communicated all aspects of the C2S programme clearly through phone conversations, email and through face-to-face meetings. This enabled us to identify his expertise and use this to improve teaching and learning in our school. He works brilliantly with children demonstrating his extensive teaching/coaching experience. Our Year 2 children have made great progress when developing their skills. The children are demonstrating increased confidence with their hand-eye coordination, agility and balance and have successfully transferred these skills into other PE lessons since.

‘It was great to have an expert like Mr Shaikh visit and teach our children. They loved working with him and the children looked forward to learning with him’ Mr Atherton – PE Leader

‘We loved working with Mr Shaikh – he lead lessons and we were able to team teach parts of this to develop our practice. The children also thoroughly enjoyed their sessions with him’ Mr Walton - Teacher

All children who took part in the sessions demonstrated increased confidence during the sessions. Their enthusiasm and attitude to their learning was greatly improved due to the skills they were taught by Mr Shaikh. Due to the children's determination to succeed, the children maintained positive behaviour and focus during the sessions and learnt lots of new and transferable skills from the sessions.

Stanley – ‘I like the active games we play. I like being active and playing cricket makes me really active.

The teachers who worked with Mr Shaikh are planning to deliver CPD to the rest of the staff during the summer term to pass on knowledge they gained. We are planning to take part in a progress event and inter-school competitions later in the year.

Cornwall Cricket would like to commend the Year 1 and 2 teachers for their creativity in developing a wonderful and inspiring LEARN lesson - centering around cricket equipment - use of visual stimulus (video clips), curious questioning, active listening, looking at first hand cricket equipment, extending thinking into what materials were being used and what parts of the body were being protected. It was great to the children fully engaged working in a team in a classroom setting - thinking cricket! - Mr Shaikh

The next few slides - showcase this beautifully....

Cricket “LEARN” session

Year 1/2 and Year2

Mr Tardivel and

Mr Walton’s classes

Thursday 5th March

2020

The Yr1/2 and Yr2 class looked at the cricket equipment, looking at the materials used and what they are for.

The children were put into groups.
They had to draw around a member of their
group.

Using crayons, the children drew the different safety equipment onto their silhouette. The children had to label the equipment and write down what they were for.
