

School Of The Term award - Spring Trevithick Learning Academy

The chance to shine sessions were really well received by our children, a genuine excitement every Wednesday for PE with Mr Cricket!

The kids loved it and were engaged throughout

Nick's positivity and enthusiasm were great, he kept some of our higher-need pupils fully engaged and on track.

Who are we looking for? A primary school or teacher who is:

- * Inspiring children to love and play cricket.
- * Building a school cricket culture and entering competitions.
- * Bridging the gap between school sports and local clubs.
- * Using cricket to boost learning across the curriculum.

Congratulations Trevithick Learning Academy on this achievement!
