Home club hosts will be offered £100 per match towards the cost of grounds.
This is for championship and knockout stage matches only - its not for friendlies or trial matches.

Teas

Teas are costly.

There is no expectation to provide teas.

As in 2023 no Teas will be the norm for home games in 2024

If teams have teas the cost of the teas has to be added to the match fee

Accommodation Expenses

The only group games where we will support accommodation would be the O50s 1st XI bi-annual trips to the Channel Islands and the Isle of Wight.

Support would be £50 for 11 players and 2 officials.

For knockout round matches where an overnight stay is required as the match is outside of the group boundaries we would look to support if funds allow us to do so.
