

LWC DRINKS CORNWALL CRICKET LEAGUE DIVISIONS 2019
FINAL DRAFT JANUARY 2019
League Rule 4.1.5: Divisions & sub divisions as shall be decided by the LMC

Changes from the November Draft

Due to projected player availability, Stithians 2 requested to be demoted to Division 5 West. Mt Ambrose 2 declined the opportunity to be reprieved relegation and St Ives 2 & St Gluvias 2 were ineligible to be reprieved having conceded 3 games in 2018.

Therefore Mt Hawke & Porthtowan 2 have accepted to be additionally promoted from Division 5 West.

Subject to a formal ratification by the Club Committee this month Pencarrow 2
are withdrawing from Division 6 East due to player numbers.

Roche 3 have named Truro School as their Saturday home ground, sharing with Perranarworthal 3.

As a result Division 6 has been reorganised, based on AA Mileages calculated from ground to ground.

Division 6 West remains at 12 teams.

However an 18 match season May 4 – August 24 will be fixtured with 7 opponents played home and away and the other 4 opponents played once, randomly drawn. Therefore no April or September games will be scheduled.

Division 6 Central now has 11 teams including Roche 3 and Newquay 4.

However an 18 match season will be fixtured with 8 opponents played home and away and the other 2 opponents played once, randomly drawn. As there has to be a bye on each match day the 18 games have to be fixtured over 20 match days so May 4 – September 8. However if wished September matches can be mutually rescheduled for the Early May or August Bank Holiday Mondays or any Sunday.

Division 6 East now has 10 teams including St Austell 4.

An 18 match season May 4 – August 24 will be fixtured with all 9 opponents played home and away.
